

YOUR One-Stop Marketing Solution

Prospect Communications is your One-Stop solution for all your marketing needs. Getting your message to the right audience is a challenge in today's fast-paced environment. Communicate via the web, email, social media, print and mobile campaigns to reach your target audience. Our unique approach combines creativity and business acumen with proven marketing methods to deliver results for YOU.

Branding, Design & Packaging

Branding is more than designing a pretty piece. It is about getting noticed and improving results. Your image reflects who you are, the personality of your organization, and the excellence of your products and services. We work with you to create, develop and refine your image.

- Brand Development
- Logo Design
- Packaging
- Graphic Design
- Multi-Media Presentations

Your image is important. Let us help you develop your brand and get RESULTS!

Web & Internet Marketing

WEBSITE DESIGN

Your website is your front door. 75% of all new prospective customers evaluate your business or organization on-line before they even meet you or walk in. Your website is the single most important tool in your marketing toolbox.

Prospect develops websites that are creative and easy to use. Getting noticed and found is critical. We can do whatever you need to make your site work for you.

- Web Design or Redesign
- Web Maintenance
- Copywriting
- E-Commerce
- Blogging
- Landing Pages
- Search Engine Optimization (SEO)

We create websites that get you NOTICED!

SOCIAL MEDIA & EMAIL MARKETING

Social Media and Emails round out your internet marketing toolbox. Reach out and engage your audience.

Let us help you get SOCIAL!

Get Results – Get Noticed

Print & Mail

Print and mail are effective tools in a multi-media approach to reaching your audience and meeting your marketing goals.

- Sale and appeal materials
- Publications and collateral
- Postcards, mailers, flyers and 3-D mailings
- Personalized (one-to-one) pieces
- Interactive QR codes
- Mailings – addressing, stuffing and mailing

Use print and mail to reach your audience. Get NOTICED with print!

Power Marketing

Great marketing creates interest in your business or organization and sets you apart from the pack. Put all of your marketing together with Prospect's Power Marketing Program. Let us help you maximize your marketing dollar to get the biggest bang for your buck.

- Plan and achieve your goals
- Branding and product development
- Multi-media campaign development
- Generate more leads
- Find and close more sales
- Content creation and blogging
- Search Engine Optimization (SEO)
- Web updates and maintenance

Use Prospect's marketing acumen to drive your GROWTH!
